

## Your reception desk is about to get better and safer for post-Covid lockdown!

### MoxyTouch Virtual Attendant

Learn about the latest Unilab product announcements. We'd like to introduce **MoxyTouch - Virtual Attendant** to help your entire organization meet demands for contactless, social distancing and safe workspace post Covid lockdown.

[See Demo](#)

### Virtual Reception Assistant

The virtual assistant setup ensures that a systematic and coherent contact information is maintained throughout the entire organization. Right from the

initial greeting, it digitally connects visitors to meet the staff at appointed venue with no time wasted.

## 24/7 Reception Assistant

No lunch breaking, no sick-leave. The Virtual Attendant will be there for your building visitors 24/7. Auto-print visitor label anytime.

### Key Features:

- Visitors sign in and sign out at multi-locations
